The right place at the right time

An aerial photograph of Aarhus, Denmark, showing the city's harbor and surrounding areas. The harbor is filled with various ships, including a large red and white cargo ship, and several cranes. The city buildings are visible in the foreground, and the water extends to the horizon. The text "Aarhus som sejlsportsby" is overlaid in a large, dark font, and "VÆKST" is overlaid in a smaller, red font below it.
