## DIF and DGI together in a partnership

DIF and DGI – a partnership with a praiseworthy common goal :

$$25 - 50 - 75$$

#### In 2025:

- 50% of the Danish population are members in a sports club
- 75% of the Danish population are physically active

#### **Present situation**

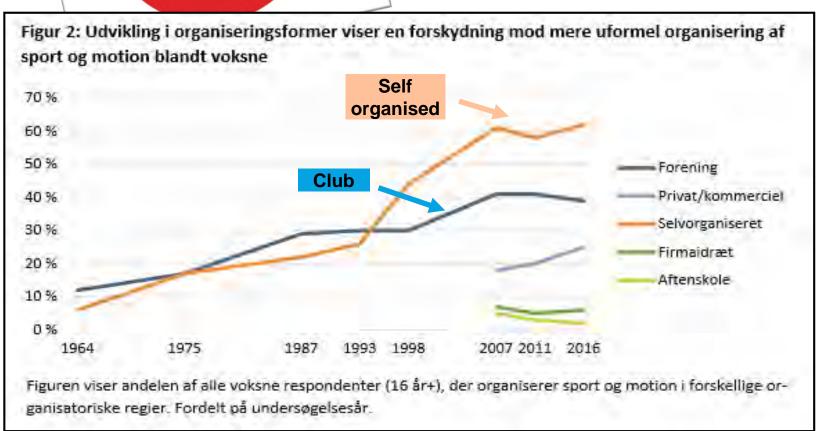

...between members and self-organized

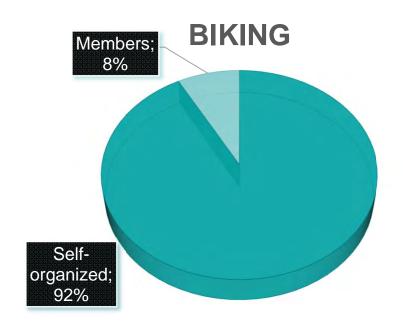

## The gap between club-members and self-organised

Jer er også ny og har planer om at deltage på 51km i kvindeløbet på lørdag til weebike løbet i Aarhus. Jeg kører stadig ikke så hurtigt omkring 20-21 i gns. Er der noget fra riders der kører deromkring, man evt kunne følges med?

Synes godt om

Hej. Er der nogen fra Riders i mit område, så vi eventuelt kunne træne lidt sammen.

Jeg bor i Rødekro

# Reactions from the organizers

"As an organizer, it is a plus to offer riders, who are not used to participate in bike races, support on the route and a safe ride, when cycling a race for the first time"

in our future cycling races, as we would like to offer a bike race for everyone, regardless of form and ambition level "

"We really like RIDERS to participate

Lady Tour 2017

Tour de Vestfyn 2017

"We would like to have RIDERS in next year's race, and we would also like to announce the participation earlier in our marketing campaign."

Denmarks highest race 2017
